## Life-Saving Device Placed at Library

The Bridgetown Friends of the Library group are pleased to announce an enhancement to our local library's safety measures – the installation of a defibrillator! This life-saving device has been made possible from the funds raised at our annual Ciderfest Silent Auction.

The defibrillator is conveniently located in the Bridgetown library vestibule and is accessible to the public during regular library hours. This valuable addition gives community members access to critical emergency resources within the heart of our town.

The Friends encourage you to take a moment to familiarize yourself with the defibrillator's location and basic operation. Your awareness could make a difference in an emergency.

A heartfelt thank you goes out to everyone who contributed to the success of the Ciderfest Silent Auction. Your support truly makes a difference!

Sun. Sun. Jan. 28, 3pm January's Makers Swap: at 1963 Clarence Road, Clarence, an Annapolis Folk School Event. For those who are new to the Makers Swaps, this is a simple community gathering where all ages and abilities are welcome and the concept is simple: bring anything you have made with your hands, grown or a service you have to offer and trade for treasures from others. There is no money exchanged and PERFECTION IS NOT REQUIRED! Just a willingness to share your talents and passion projects with others in the community. Here are a few insights for those new to the Makers Swaps:

a) All are welcome, bring a friend, and get your tickets on Eventbrite.

b) Everyone brings what they feel comfortable with giving to the community – there are no limitations or expectations – our definition of fairness is that each person will share within their means and that is always resulted in amazing generosity and abundance.

c) All items brought to be shared will go on to a common table to get blended in with everything else others are sharing. After spending time getting to know each other, we will go up to take items from the table, one item at a time, until each person decides they have taken enough to be “fair” to the community.

Some popular trade able items (to get your creative juices flowing):

preserves, pickles and jam, kombucha and shrubs, soaps and beauty care items, plants, baked goods, jewellery, leather crafts, wooden carvings, dog toys and treats, paintings and drawings, vouchers for service trades like haircuts, massages, and prepared meals... Everything under the sun! If you have any questions at all feel free to post in this event on Facebook or email to avfolkschool@gmail.com

It is also greatly appreciated if you can bring a few pantry items to the swap. Our pantry is increasingly active with many people using it. A few suggestions are crackers, beans, canned pasta, meats, and veggies, apple sauce, fruit cups, macaroni and cheese, pastas and sauces. We were given a fridge so milk, cream, margarine, yogurt, and cheeses can all be dropped off as well.

Do you have a lot of static in your hair this time of year? After shampooing your hair, towel dry it to get all that excess water out, now apply your conditioner and leave it on until the end of your routine. Cooling down the water will help close the cuticles in your hair and it locks in conditioner/less fading of color treated hair. Also, you can use a couple drops of conditioner in your hands to lightly run over the top of your hair to keep those fly-away hairs down.  
Some Fine hair people can use conditioner, when you’ve got the most in your hands, don’t start in the front, go to the back and sides first so the conditioner doesn’t weigh your hair down, very lightly run through the top, don’t rub it into the scalp.

**Sat. Feb. 3, 7:30pm Old Man Luedecke** (live performance) Old Man Luedecke is a 2x JUNO and multi East Coast Music Award-winner, and Polaris Music Prize nominee from Chester, Nova Scotia. Since 2004 he has travelled the world playing festivals, theatres and clubs. He delights his audiences with his heart-felt command of the stage. Plus, his inspired banjo playing and wry storytelling cut to the heart of normal/extraordinary experience itself.

Born and raised in Toronto, Luedecke followed Thoreauvian and romantic notions to Canada's Yukon where he fell in love and started composing folk songs with a banjo. Since 2005, he has lived rurally on the south shore of Nova Scotia in Canada's music-rich Maritime provinces. He has had major appearances at Canadian, Australian and UK festivals and has performed with the likes of Feist, Bahamas, Tim O'Brien, and Rose Cousins. He has built a name and a following that has been uncompromisingly unique and is now firmly established in the top echelon of Canadian folk artists. As the Vancouver Folk Festival says, "He is a musical singularity to be savoured and shared."

Opened by local folk duo Sam Boer and Anita Cazzola. Anita Cazzola and Sam Boer have been writing, recording, and touring folk music for over 10 years. Both are members of The Lifers, a folk-rock band led by Anita and her sister Liv that has released two acclaimed albums and toured Canada, the US, and Europe. Anita often joins Sam as part of his project Samson Wrote, which has garnered Folk Music Ontario and Canadian Folk Music Awards nominations. When they're not collaborating musically or swimming at Mickey Hill together, Anita runs Mani D'oro—a textile mending and repair studio in Annapolis Royal—and Sam writes unconventional musicals through the Uncommon Folk Collective. - 2) Placing a cash bill (min. \$10) or a cheque in an envelope provided by the Vendor. Include your name and registration number on the envelope and place the completed envelope in the Rotary Box. Note: \$10 will cover you for the upcoming 5 draws (a "prepayment"). The weekly draw is made from the registered numbers.
