Help Us Welcome Our New Mid Valley Region Doctors!

A year of hard work culminated on Saturday Oct. 17 as the Mid Valley Region Physician Recruitment & Retention Committee hosted its 6th Annual Community Welcome Event. The Annapolis Mess at 14 Wing Greenwood was the perfect venue to host our "Meet the Doctors" Event, giving over one hundred guests the privilege of officially welcoming the four new family physicians and one medical resident to the mid Valley Region.

Guests were treated to the beautiful and unique sounds of traditional Iranian music played by the Nava Ensemble featuring musicians, Mohammad Sahraei and Saeid Foroughi.

The atmosphere was perfectly paired with an array of stunning Persian-inspired flavours, beautifully crafted by our talented Chef, Chantelle Webb.

The Committee made a special presentation to Louise Hanavan to thank her for her incredible dedication, guidance, and assistance throughout our grant funding process over the last six years.

Please join the Committee in extending a warm welcome to our new physicians!

Mon. Nov. 9, 2:00om **Remembrance Week Event** at the Paradise Heritage Centre, 10307 Hwy 1. Tea and cake. Displays. We invite you to join us for a display of the memorial plaques, photos, honour rolls, and artifacts that help us to always remember those who chose danger and sacrifice for their country during World War I and World War II. Imagine a community of about four hundred and then imagine literally dozens of young men gone from that community, far from home, caught up in terrible battles. Young women went to the front to be nurses. Every people group in the country stepped up. Paradise reflected that all-out effort. Those at home kept homes, farms, and workplaces going.

The war was won. Paradise was just one of Canada's rural communities who celebrated each victory, mourned the dead, hoped "never again". Some came home to make a place for a "war bride", a special group of Canadians. Everything changed for everyone. Each year we remember the fallen. And we think of those who did come home but did not speak much about it. We are mindful that other conflicts and other wars since mean other veterans. Remembrance Day matters.

We also invite you to bring along any letters or memorabilia you have of those in your family who went through those times. We would love to see and hear them.

You may remember Jill's short play, 'Nobody Here (But Us Chickens!)', which won a writing award at the King's Shorts Festival of Ten-Minute Plays in 2024. As a professional actor, she has performed across the country, including at Neptune Theatre in Halifax. Jill says: "I am thrilled that you are supporting live theatre. A huge thank you to ADDG for producing, and thanks to Verilea for directing and for championing my work".

Art and the Unseen: A Weekend of Art, History and Paranormal Investigation

What do automatic drawing, surrealism, paranormal investigation, and a 19th-century waterfront inn have in common? They are all part of “Art and the Unseen,” a weekend of events presented by ARTSPLACE, Paranormal Phenomena Research & Investigation (PPRI), and the Annapolis Heritage Society from November 13 to 15 in Annapolis Royal.

The idea began when ARTSPLACE Gallery Director Sophie Paskins attended a PPRI ghost hunt at the Cumberland Museum and Archives in Amherst. “I was inspired to connect art and paranormal investigation with Annapolis Royal’s rich history, and invited PPRI and the Annapolis Heritage Society to collaborate on the weekend,” said Paskins.

The weekend opens with after-hours paranormal investigations at the O’Dell House Museum, a circa-1869 stagecoach inn and tavern on the Annapolis Royal waterfront. PPRI, Nova Scotia’s oldest registered paranormal society, will lead investigations on Friday, November 13, and Saturday, November 14. Both are sold out.

On Saturday, November 14, artist Ashley Wong will lead “Automatic Art,” a 90-minute workshop exploring creative practice without conscious direction. Wong will introduce the history of Automatic Art and its connection to Automatic Writing, drawing on family history, personal experiences, and examples from her own practice. The workshop takes place from 11 a.m. to 12:30 p.m. upstairs at ARTSPLACE. Registration is $74 and includes all materials (discount available for members of the three organizations).

That afternoon, “Esoteric Art Practices: Art, Intuition & the Unseen” will examine the ways artists have engaged with intuition, spirituality, altered states, and the unknown. Ted Lind of ARTSPLACE will discuss the work of Hilma af Klint, Leonora Carrington, Wassily Kandinsky, Ithell Colquhoun, and Charles Burchfield. PPRI presenters Elliott van Dusen and Jodi Russell will examine connections between artistic creativity and paranormal experiences. The talks take place upstairs at ARTSPLACE. Admission is by donation, with $10 suggested.

The weekend concludes Sunday, November 15, at 1 p.m. with “Leonora Carrington: The Lost Surrealist,” a 53-minute documentary directed by Teresa Griffiths. The 2017 film examines Carrington’s life, work, and place within the Surrealist movement. It received the Grierson Best Arts Film Award and an RTS award. Admission is by donation, with $10 suggested.

For more information please visit arcac.ca. All revenues in support of ARTSPLACE, PPRI and the AHS.

How to beat **Str8ts** –
Like Sudoku, no single number can repeat in any row or column. But... rows and columns are divided by black squares into **compartments**. These need to be filled in with numbers that complete a 'straight'. A **straight** is a set of numbers with no gaps but can be in any order, eg [4,2,3,5]. Clues in black cells remove that number as an option in that row and column, and are not part of any straight. Glance at the solution to see how 'straights' are formed.

Champlain Elementary School Holiday Bazaar

Preparations are underway for the Annual Holiday Shopping Bazaar, Dec. 10th, hosted by CES Home & School Committee! The Bazaar is an opportunity for each student to shop for the members of their immediate family (living in their household).

This is a FREE event for every student! Their eyes light up knowing they have a secret gift for each family member in their home. This year's Bazaar will be hosted on December 10th!

We are asking for donations of new or gently used items to use as gifts. Please refrain from sending large or breakable items, as they are difficult to wrap and hard for students to carry home.

Donations can NOW be dropped off at the Champlain Elementary School office during school hours or on Wednesday evenings between 6 - 8 pm.

Some examples of items we are always in need of are:

Gifts for teenagers - gift cards, movie passes, gloves/hats, gaming items, Pokémon cards, sports items, board games, etc.

Gifts for men - sports items, tools, car care items, gloves, socks, etc.

Gifts for children - small toys, games and puzzles, mittens, etc.

Gifts for women - scarves, figurines, gloves, socks, etc.

Christmas items - ornaments and decorations, etc.

Coffee Mugs and individual packages of hot chocolate or candy to stuff them with.

***Donations of GIFT BAGS, tissue/wrapping paper, reusable shopping bags, and scotch tape are greatly appreciated!

Thank you in advance for your help,

CES Home & School Committee
