## 11th BIG CHILL Snowshoe Event

February 28, 2026. The BIG CHILL is a snowshoe event that offers three challenging distances – 5kms, 15kms & 30kms – set in the beautiful Annapolis Valley. The event, on North Mountain, just outside Middleton, fundraises to support youth-at-risk in Annapolis County and other local endeavours, and is sponsored by GIVETOLIVE.ca. The routes are on the site of an old, retired ski hill and throughout the nearby wooded trails. It has beautiful views with rest and warming stations throughout, with some nice personal touches along the way! Folks can do it solo or gather a team.

The youth that the event helps to support help clear the trail and build bridges along the route, as well as volunteer on event day on the trails and basecamp. Funds raised go directly to helping these youth with clothing, food hampers, training courses, dental work, scholarships for higher education.

At 66, local resident Judy Peppard has signed up for her 11th BIG CHILL! She is the sister of one of the founders of the event (Jamie Peppard) and even when she lived away always travel home for The BIG CHILL. She is once again doing the 30km route at the 2026 event! In her words why she is involved:

"I grew up in Middleton and went to school with many students whose families were in need. Our parents were very involved in helping the community and we were raised the same, so when Jamie (her brother) mentioned the fundraiser, I didn't hesitate to jump on board. As soon as things freeze up, my brothers and I are busy getting the trails ready. My parents were very physically active, and we all played many sports. Snowshoeing and hiking are my way of staying fit in the winter. Being up on the trails every day makes the snow and cold weather more enjoyable."

Jamie Peppard, one of the event organizers also recently shared his perspective.

"People in Annapolis County are still recovering from the Long Lake Wildfire Disaster. Seven of the homes lost were not insured and those displaced people are still living in Airbnb's and apartments. Lawrencetown Education Centre (LEC) has partnered with Housing Construction Council, EMO, and 3 Rotary Clubs to build 6 small homes to help these folks. A significant portion of funds raised from this year's BIG CHILL event will support this project. The goal is to have these done by the end of August, which is when the emergency funding runs out for those being housed.

"As I look across the street and see 7 of our current and former students working in the snow setting up 40' laminated beams on engineered blocks they built, I couldn't be prouder! Our students have delivered food to victims of the fire, delivered supplies to the men and women who fought the fire, and hosted all the families here at LEC for a big chicken dinner! Now they are working with a red seal carpenter to replace homes! It has been a difficult year for sure ... but these youth are learning first-hand that you don't have to be wealthy to make to big difference in the lives of those who have lost everything.... kindness and hard work go a long way."

More than 1 in 3 children in Annapolis County live in poverty. These numbers are daunting but reflect the importance of supporting youth at risk in Annapolis County through innovative and impactful projects. Thanks to the generous support of BIG CHILLers over the last nine years, many meaningful developments and individual impacts have been made to support the mental, physical and emotional health of youth in our area.

By participating in and donating to The BIG CHILL you show the youth-at-risk who live there that you see them & believe in them.

In recent years thanks to the generosity and commitment of CHILLers and donors, a multi-use outdoor court in Lawrencetown, Annapolis County was built. This court provides outdoor recreation space for local elementary and high school students, as well as for other youth in the community.

Funds raised also supported maintenance of the Second Lake Outdoor Education site, including the outdoor classroom and canoe launch. The outdoor programming provided at this site helps to strengthen the social, emotional, and physical wellness of youth-at-risk in the area through outdoor, hands-on, experiential learning education activities. It's also a special portion of our BIG CHILL trail that student volunteers work hard to maintain!

The Lawrencetown Education Centre (LEC) has partnered with Housing Construction Council, EMO, and 3 Rotary Clubs to build 6 small homes to help those displaced by the Long Lake Wildfire Disaster. A significant portion of funds raised from the 2026 BIG CHILL event will support this project. The goal is to have these done by the end of August, which is when the emergency funding runs out for those being housed.

**Nova Scotians who quilt, knit or crochet, we need your help!**

Thank you to the many generous Nova Scotians who quilt, knit or crochet blankets for patients receiving treatment at the QEII Cancer Centre and in our Palliative Care unit. We are seeking blankets for patients in:

Cancer Care – lap-sized blankets  
Palliative Care – single-bed size blankets  
The blankets will be handed out by volunteers to the patients in palliative care, and in the numerous cancer centre waiting rooms while they wait for treatment. A lap-sized blanket, or “lapghan”, is made to fit over a wheelchair or someone in a sitting position. Sizes typically range from 32” to 48” (81-122 cm) wide by 35” to 40” (89-102 cm) in length. There are many patterns to choose from online. A single-bed size blanket is around 65” wide by 90” in length (165 x 228 cm).

If you would like to quilt, knit or crochet a lapghan or blanket for our cancer centre and palliative care patients, please bring your donations to our volunteer coordinator of Cancer Care and Palliative Care, Erin Fair, in Volunteer Services, Room 24, main floor of the Centennial Building, any time from Monday - Friday, 8am – 4pm or to Valley Regional Hospital in Kentville, Chipman Building, Room 622, any time from Monday - Friday, 9am – 3pm

If no one is there when you arrive, or if you can only deliver after these hours, donations can be left outside the office door and will be collected the following business day.

The QEII Foundation will give an in-kind tax donation receipt for a minimum of \$50 of yarn, wool, or fabric purchased to make these lap blankets. Receipts will be issued for the cost of materials, less any taxes paid. You will just need to give your receipts and the following information, along with your donation:

- A receipt from place of purchase with the cost of materials.
- Your name and mailing address.

Thank you to the quilting, knitting and crochet community for all your amazing support!

**Sun. Feb. 15, 2:30pm February's Makers Swap**, at 1963 Clarence Road. Get tickets at <https://www.eventbrite.ca/e/februarys-makers-swap-tickets-1982194330602> For those who are new to the Makers Swaps, this is a simple community gathering where all ages and abilities are welcome and the concept is simple: bring anything you have made with your hands and trade for treasures from others. There is no money exchanged and PERFECTION IS NOT REQUIRED! Just a willingness to share your talents and passion projects with others in the community. Here are a few insights for those new to the Makers Swaps:

- a) All are welcome, bring a friend, and get your tickets on Eventbrite.  
 b) Everyone brings what they feel comfortable with giving to the community – there are no limitations or expectations – our definition of fairness is that each person will share within their means and that has always resulted in amazing generosity and abundance.  
 c) All items brought to be shared will go on to a common table to get blended in with everything else others are sharing. After spending time getting to know each other, we will go up to take items from the table, one item at a time, until each person decides they have taken enough to be “fair” to the community.

Some popular trade able items (to get your creative juices flowing): preserves, pickles and jam, kombucha and shrubs, soaps and beauty care items, plants, baked goods, jewellery, leather crafts, wooden carvings, dog toys and treats, paintings and

Getting to Know: Experience Plus

There is a New Great Tax Business in town...one you will remember but dressed up as another name.

Maureen and Jerry Publow (original owners of Publow Consulting) have decided to take up the torch and enter into a new tax business again. As the original owners of Publow Consulting we worked with many folks in the Bridgetown and surrounding areas...We thought retirement would be great but after a while decided it was not for us. The second owners of Publow Consulting have recently sold to AP Bookkeeping...Tammy and Kathleen. The new owners of Publow Consulting are great...very smart, quite efficient, very knowledgeable about CRA procedures and have even helped me out with a matter that needed specific direction

Now past the history and on to our new business. Experience Plus is a tax business that offers expertise, professional confidential service at a cost that is friendly to your pocketbook. We still offer that individual specialized approach to each client that we were known for a long time ago...and as always questions and more questions so your deductions can be maximized.

We do individual tax returns as well as small business returns and offer special rates for both seniors and fire fighters because Jerry and I qualify in both of those categories. As always we e-file all returns and will take on special requests if we can help. We offer an open office 12 months a year and are ready to begin now and e-file as soon as the CRA gates open. CRA continues to change rules and there is always something new to learn. Let us help you do the best for your tax situation.

Our hours of operation are Monday to Friday 9.00 to 5.00 and evening appointments are available to the folks that need that time slot. We will also be available Saturday morning till noon

We are teaching the business to younger keen and caring people to make sure the business continues long after we retire again. Jerry and I are looking forward now to new challenges and opportunities that we will have to serve you.

In closing if you are satisfied with the folks doing your taxes...there is no better feeling, but if you would like to visit and chat with us we would love to help you.

Please contact Maureen Publow at 840-3559 and we can make a time that will be great for you to drop by. Looking forward to getting back into business and helping everyone we can.

### Funding to Help Digby Port Adapt to Climate Change

A critical piece of coastal infrastructure that supports Nova Scotia's fishery, marine and tourism sectors will be safeguarded from climate change with \$600,000 in provincial funding. The Digby Harbour Port Association will use the funding to plan upgrades needed to protect the harbour from climate change. This includes an engineering study on how erosion, the rising sea level and stronger storms are affecting the wharves, seawalls and shoreline. The study will then inform the action needed to protect the facility from climate change impacts, including costed design work.

The planning work will also look at how nature based solutions, such as natural grasses, shrubs and trees, can protect the harbour and the port. Nature-based solutions are one of the most effective ways to protect the coastline and adjacent infrastructure from waves, flooding and erosion.

The Port of Digby is a commercial port that supports a fishery sector valued at more than \$100 million and about 600 direct and indirect jobs. The investment is from the government's Sustainable Communities Challenge Fund.

**“VIA Rail – Toronto to Sarnia”  
Word Search Answer**

When I was fifteen and had quit school forever, I went to work in a vineyard near Sanger with a number of Mexicans, one of whom was only a year or two older than myself, an earnest boy named Felipe.

One gray, dismal, cold, dreary day in January, while we were pruning muscat vines, I said to this boy, simply in order to be talking, "If you had your wish, Felipe, what would you want to be? A doctor, a farmer, a singer, a painter, a matador, or what?" Felipe thought a minute, and then he said, "Passenger." This was exciting to hear, and definitely something to talk about at some length, which we did. He wanted to be a passenger on anything that was going anywhere, but most of all on a ship.
