## “Alertable” Program to Keep Residents Informed

Annapolis REMO (Regional Emergency Management Organization) will celebrate Emergency Preparedness Week (May 5-11) with the launch of Alertable, a new initiative to keep residents informed and up-to-date during an emergency. Alertable is a multi-purpose communication service used to send alerts to residents, businesses, and visitors during critical events like fires, floods, and evacuations, as well as for relevant day-to-day communications such as severe weather or other hazards, emergency preparedness information tips, reminders, and more.

Brian Orde, Annapolis REMO Coordinator, said this easy-to-use app will go a long way in helping to get the word out quickly and efficiently in an emergency. “By signing up, people will get notification of any critical happenings in their area. The app allows people to select specific geographical areas, so whether they live here or are coming for a visit, this will keep them informed.”

Alertable is highly rated, made in Canada, and is free for the public. It provides many alerting options including text, email, phone (landline), website, mobile app, social media, home smart speaker and more; people can choose a combination that’s right for them.

“Council is very pleased to see Annapolis REMO offer Alertable as an aid in keeping our residents informed and safe during an emergency. We encourage residents and visitors to sign-up and use this innovative app to stay aware and plan-ahead.” - Annapolis County Warden Alex Morrison.

“Alertable will be a very important tool in keeping the public notified of any dangerous events that may be occurring. Once residents sign-up, they will have peace of mind knowing that they have immediate access to up-to-date information during an emergency.” - Town of Annapolis Royal Mayor Amery Boyer.

“Middleton is fortunate to be able to tap into the Alertable tool. In addition to obvious emergency notifications, we also see the importance of its broader use. We encourage all citizens to get signed up.” - Town of Middleton Mayor Sylvester Atkinson.

People can download the free Alertable app for iOS and Android smartphones and sign up for free email and/or SMS notifications; messages can also be delivered via landlines if there is no access to a smart phone or the Internet.

“Notifications are fast, reliable and easy to see and hear,” assured Orde. “You can even personalize notifications by type and severity and choose notifications for more than one location - home, office, cottage, family, friends and more.”

As an extra incentive, people who sign-up for the Alertable app via Annapolis REMO will have their name go into a draw for a generator. The winner will be announced on September 30, 2024. For more information about Alertable and/or Annapolis REMO visit [www.annapolisremo.ca](http://www.annapolisremo.ca).

Annapolis REMO is an initiative of the Municipality of the County of Annapolis, the Town of Annapolis Royal, and the Town of Middleton through an inter-municipal agreement, to manage emergency prevention and mitigation, preparedness, planning, response, and recovery efforts. REMO insures a coordinated and cohesive response across the region.

## Thank You!

The Bridgetown Baptist Church – Pastor Steve Hopper and all the church family – has been enormously touched by the kindness of everyone in the community during and since the loss of our church building on April 26th.

We particularly appreciate the first responders who were on site all day, and the many offers of help and support received by so many in the community and beyond.

We are happy to announce that the Bridgetown branch of the Royal Canadian Legion is allowing us the use of their space for our Sunday morning worship services. Also, thanks to the Salvation Army, we are able to use the Citadel’s facilities for other meetings. We will continue to carry on the ministry Jesus entrusted to us.

There have been questions about the cleanup of the site. Debris from a fire cannot be cleaned up and transported from the site for two weeks after the fire; this is a provincial regulation. It is expected that the site will begin to be cleaned up on Monday, May 13th.

Many people have been asking about making a donation to our Building Fund. There is now an account at the Valley Credit Union in Bridgetown for this purpose. If a tax receipt is needed, however, donations should be made either by e-transfer to [bbcfinance902@gmail.com](mailto:bbcfinance902@gmail.com), or by cheque to Bridgetown Baptist Church, PO Box 429, Bridgetown, NS B0S 1C0, in both cases designating “Building Fund” and including a return address for a receipt.

We extend our very heartfelt thanks to YOU, the people of Bridgetown and surrounding areas, for coming alongside us during this difficult time. May God bless you all.

**Celebrating the Tragically Hip** (live performance) We are proud to announce that this show is part of their Tour for the Cure concert series in support of the Canadian Cancer Society. Like the millions of fans of The Tragically Hip across Canada, the music of 'The Hip' was, and continues to be, the soundtrack to our lives. Each and every show we play is an opportunity for us to connect with fans of 'The Hip', to help bring back strong feelings and memories associated with the music, and to help honour Gord Downie's legacy.

Gord Downie was truly one of a kind, and as such, we do not try and imitate - instead, we choose to celebrate. We take pride in putting on the ultimate celebration of Canada's favourite band, but it's our audience's enthusiasm and participation that make our shows such a great experience - both in the crowd, and on stage!

Come join us and be ready lose yourself in the music as you sing along to your favourite songs and rekindle your favourite memories. Scream at the top of your lungs and let us hear what the music of The Tragically Hip means to you! Tickets: \$45 Adults, \$10 Youth.

**Fri. May 24, 7:30pm Challengers**

(film, 14A) From visionary filmmaker Luca Guadagnino (Call Me By Your Name), Challengers stars Zendaya as Tashi Duncan, a former tennis prodigy turned coach and a force of nature who makes no apologies for her game on and off the court. Married to a champion on a losing streak (Mike Faist - West Side Story), Tashi's strategy for her husband's redemption takes a surprising turn when he must face off against the washed-up Patrick (Josh O'Connor - The Crown) - his former best friend and Tashi's former boyfriend.

As their pasts and presents collide, and tensions run high, Tashi must ask herself, what will it cost to win. Tickets: Adults \$10.95, Youth \$6.95.

By the time you read this, Mother's Day will be very close, even if you haven't made it to a store, perhaps call a special someone that is a mother figure in your life, touch base & see how they are. Five minutes of your time can mean the world to them.

The winning names for the donation jugs will be in next week's issue. Thank YOU to the many donations being dropped off in support of both the pool & the Park.

In support of the Pool Fun-Run Fundraiser on Sunday May 19, the oldest member of Weasy's will be lacing up her sneakers for the 3K, WALKING of course. Thinking of all the kiddos and adults that use the pool regularly, learning how to swim and perhaps how to save another person's life. Help save our Pool.

The HUGE IMPACT donations from the Health Foundation have made over the last couple years to the youth, making swimming lessons and free swims possible. Thank YOU! Not sure about the suggested flotation costume attire, but, if you'd like to support the pool with a monetary donation feel free to drop in the salon before Sat the 18th at noon. Thanking you in advance.

**The Bridgetown and Area Community Fund** is pleased to again encourage nonprofit organizations in the Bridgetown area to submit a request for funding through:  
<https://cfns.ca/bridgetownareacommunityfund>

Established in 2008, the BACF is a permanent endowment fund from which investment returns are used to support local causes. Some donate to the fund so that the investment returns from their donation can be used locally in perpetuity and some donate to our flow-through fund so that the full donation can be put to work right away. Thank you to all donors. We and the Community appreciate you.

The BACF has adapted to recent Revenue Canada changes and COVID challenges and are now encouraging applications from Bridgetown and area nonprofit organizations for the funding of projects during 2024.

If you know of a non-profit organization in our area that would benefit from funding, please encourage them to submit an application which would be reviewed by the Community Foundation of Nova Scotia and forwarded to the BACF for consideration.
