### Official Opening of the Veterans' Patio

Wednesday, September 18th saw the long-awaited opening of the new Veterans' Patio at Soldiers Memorial Hospital.

An intimate gathering consisted of Veterans who live at the hospital and their families joined by hospital staff, representatives of Nova Scotia Health, 14 Wing Greenwood, special guests and Board Members of Soldiers Memorial Hospital Foundation all celebrated the completion of the Veterans' Patio.

The weather could not have been more perfect, as Veterans, Mr. Kenneth Frederick, Mr. Eric Wood, Mr. Clarke Montgomery watched as Mr. Tom Franklin had the honour of cutting the ribbon, marking the official opening.

The Foundation would like to extend their gratitude to everyone who attended and to those who have donated and continue to support the creation of this beautiful outdoor patio. It serves as a welcoming space for Veterans and their families, as well as hospital staff, patients, and their families to enjoy.

### Bridgetown and Area Community Fund Supports Community

On July 1st, 2024, at the Bridgetown Lions' Breakfast, two presentations were made through the Bridgetown and Area Community Fund to local charities.

Kirk Lycett, donor and business owner, and Maureen Publow, BACF treasurer, are pictured as Kirk presents a cheque for \$5000 to Stuart Lenthall-Ascott, President of the Bridgetown Royal Legion Branch 33, to support a Legion project to construct accessibility compliant ramps.

A second presentation for \$5000 was made by Kirk Lycett and Maureen Publow, to Nancy Price, Annapolis County Outdoors Sports Society (ACOSS) Secretary, for development of the Harvest Moon Trail south of the Bridgetown High School in relation to accessibility and longevity.

### Sign Dedication Ceremony

The electronic sign at the Sports Hub in Bridgetown is one of those great ideas that came true solely because of the incredible generosity of our community. One of the largest benefactors of the sign was the Hirtle Family. Bill Hirtle's contribution to Bridgetown Regional High School, his church and the community as a whole has been remarkable and it is fitting that there is a plaque on the sign base that recognizes Bill's selfless contribution.

On Saturday, September 28th at 2pm, an official dedication and ribbon cutting will take place at the electronic sign. The public is invited to attend a short ceremony and a chance to have a chat and share some stories with Marguerite, Dean and Marcie. Bring a chair if you want to hang out! Rain or shine!

### A Huge Thank You!!!

The Annapolis Royal Lions Club wishes to thank all the local businesses, entertainment, and individuals who made our Community Expo Day on Sept. 21st such a success! Our Lions motto is **WE SERVE** and we truly appreciate your continued support in making our community a better place.

### An Apple a Day...

Fall in the Annapolis Valley means its apple time. On Sept. 20, members of the Mid Valley Region Physician Recruitment & Retention Committee picked over 900 Honeycrisp apples at Spurr brothers U-Pick in Wilmot and delivered them to Medical clinics in Kingston, Greenwood and Middleton. Deliveries were also made to the Primary Care clinic, Veterans' Unit and to the staff at Soldiers Memorial Hospital. The apples this year are large, bright red and bursting with sweetness. Thank you to the Office of Healthcare Professionals Recruitment for funding this event.

**RE-ELECT**  
**Brad Redden**  
**District 10**  
approved by the official agent for Brad Redden

I am Brad Redden the councillor for District 10. The last election was run on council transparency. Many of those issues have been taken care of. This election is more about fiscal responsibility. Annapolis County the highest poverty rate in the province and every dollar matters. I believe the council is too large; public consultation told us that residents believe this too. 11 councillors is too many when they cost 50,000\$ each. I was one of a few councillors who voted against staying at 11 councillors. The county has held the tax rate steady for the last three years. This is despite the debt and lawsuits left by the last council. We have developed some long-term plans and started approving tools and policies that increase productivity. Two years ago Council elected me Deputy Warden, one of the many responsibilities I have is a committee which looks for ways Annapolis County, Annapolis Royal and Middleton can cooperate. This has resulted in some cost savings, more importantly, this has allowed the 3 municipalities to access more provincial grant money, so we achieve more, with fewer tax dollars from you.

**Question: Why do I keep gaining weight?**  
Some people keep gaining weight even when they exercise and eat mainly foods like salads, believe it or not! Many people who are overweight eat substantially less than those who weight less. Usually the culprit is the seeds oils, such as canola or corn oil. Remember, being overweight means that you are suffering excess inflammation. Why is the question.
