Change in Venue

SOOFSTOCK 2025 & SOOF Country Dance Given the wildfire situation in the community of West Dalhousie the event has been moved to the Bridgetown Legion (20 Jeffrey Street). The West Dalhousie Community Hall has been our community partner for the last two years with our music festival SOOFSTOCK and SOOF dearly hoped to be there again this year.

Our thoughts are with the community and our friends at the West Dalhousie Community Hall. We hope that the fires are put out soon, that some rain comes, and everyone can go back home safely.

It was a tough decision to make about whether we should move forward with the festival. Is it the right thing to do? There is also a lot of work behind the scenes to line up a festival - bands, vendors, food, security, insurance, marketing and promoting. As a 100% volunteer run festival which is about celebrating the very forests that are under threat by fires... we don't want to just cancel.

So we made the decision to move the festival - and keep things indoors. SOOFSTOCK 2025 will go on but you'll find us at the Bridgetown Legion (20 Jefferey Street). We also decided to donate 50% of the proceeds from SOOFSTOCK 2025 to our friends at the West Dalhousie Community Hall to support their efforts to become a Comfort Center.

Please come out and enjoy some great music, great food, a great market, fun crafts, facepainting and popcorn - all in support of Old Forests and the West Dalhousie Community!

Also note that the venue for the OLD TIME MUSIC & COUNTRY DANCE has been changed. Grab your dancing shoes on Friday August 22 and two-step your way to the Round Hill Community Hall (1685 Highway 201)! Live music by The North Mountain Islanders, instructions in two steps, waltzes and special guest Zak Miller will call a few contras. It's

going to be a toe-tapping good time! 50% of the proceeds from the dance will be donated to the West Dalhousie Community Hall. We hope you can join us! SOOFSTOCK Organizers

New Search and Rescue aircraft arrives at 14 Wing Greenwood

The CC-295 Kingfisher, the Royal Canadian Air Force's new fixed-wing search and rescue aircraft, arrived at 14 Wing Greenwood, Nova Scotia, on August 10, 2025, at 413 Transport and Rescue Squadron.

413 Squadron aircrew and technicians have undergone training at 418 Search and Rescue Operational Training Squadron at 19 Wing Comox, B.C. and are ready to begin training on the aircraft at 14 Wing. Over the next few months, personnel at 413 Squadron will become more familiar with CC-295 Kingfisher operations, including maintenance, and aircrews will begin some limited training flying in the local area. The public may notice the large, yellow aircraft during these training flights.

While training on the CC-295 Kingfisher is underway, 413 Squadron will continue to operate the CC-130H Hercules to ensure continuity of fixed-wing search and rescue service on the East Coast.

Community Connection...West Dalhousie Forest Fire(s)!!
The outpouring of support during the recent West Dalhousie forest fires has been nothing short of overwhelming. From home-baked goods, bottled water, and toiletries to offers of extra beds, hot meals, barn space, and trucks to haul essentials—our communities have shown what it truly means to come together. The stories—of neighbours helping neighbours that had to evacuate, of strangers stepping up, businesses all across the valley donating hundreds of dollars of donations, of kindness spreading like wildfire—have moved many to tears. Volunteers have stepped in wherever they can: preparing meals, donating supplies, offering shelter, and even helping clean and feed those on the frontlines. This is what a community looks like. Some of the most touching moments came from those who had been evacuated themselves and, knowing they couldn't help in any other way, turned around and volunteered to support the firefighters with food and cleaning duties, and seeing cards handmade from children sending messages of Thank You to Firefighters. We SEE you. We stand with you. We THANK YOU. Your Strength, Courage, and Sacrifice mean EVERYTHING!
At the time of printing, the skies had just gifted us a brief, much-needed shower of rain. By the time you're reading this, many prayers will have been said—for more rain, for safety, and for the tireless efforts of all involved. That includes the brave crews from across the province and beyond—Buffalo Air from the Northwest Territories, teams from Quebec, and others who've come together in this critical time, the families that are waiting for their safe return home. Reports say, at the time it had burned over 5000 acres. May Mother Nature continue to bring rain, and may this fire be well on its way to being knocked down. Trying to stay hopeful in hard times. showing up, standing together, lifting each other up. Positivity isn't always easy, but with community, it's possible.

www.kingstheatre.ca

Sat. Aug. 23, 7:30pm Shiny, Happy People, an R.E.M. Tribute (live performance) King's Theatre is pleased to present extraordinary Valley musicians Jeff Hennessy, Nicholas D'Amato, Noah Scanlan, and Alec Bloch in an authentic tribute to R.E.M.! Special guests include Sarah Pound on vocals, Sarah McInnis on violin, Jenny Melvin on violin and viola, and Jolene Buchholz on oboe.

Shiny Happy People is a gorgeous tribute to R.E.M. that will please both diehard fans and those who only know the hits. Intricate guitar parts, ghostly vocals, driving melodic bass lines, weird and wonderful lyrics. You won't want to miss this special show!!!

What do Nirvana, Pearl Jam, Radiohead, and Coldplay have in common? All cite the band R.E.M. as a formative influence.

Originally from Athens, Georgia, R.E.M.'s debut album *Murmur* was hailed by *Rolling Stone Magazine* as the #1 album of 1983 (#2 was Michael Jackson's *Thriller*). They would go on to achieve worldwide fame with their iconic albums *Out of Time* and *Automatic for the People*. Tickets: Adults \$30, Supported \$20, Youth \$5.

Sun. Aug. 24, 3:00pm Verdi's La Traviata, a Met Opera Stage to Screen presentation. Michael Mayer's sumptuous production of Verdi's beloved tragedy returns, featuring soprano Diana Damrau and tenor Juan Diego Flórez in this 2018 performance. Yannick Nézet-Séguin conducts. Tickets \$16.95 plus HST.

Wed. Aug. 27, 7:30pm My Mother's Wedding (film, PG) Heartfelt and funny, the film follows three sisters who return to their childhood home for a momentous weekend: the third wedding of their twice-widowed mother, Diana Frost (Kristin Scott Thomas). The three daughters are from vastly different walks of life: Katherine (Scarlett Johansson) is a Captain in the Royal Navy; Victoria (Sienna Miller) is a Hollywood star; and Georgina (Emily Beecham) is a hospice nurse. Over the weekend, the family gathers to celebrate the new marriage, but mother and daughters alike are forced to revisit the past and confront the future, all with help from a colorful group of unexpected wedding guests. Tickets: 11.95 Adult, 7.95 Youth under 18.

Fri. Aug. 29, 7:00pm Jurassic World Rebirth (film, PG13) Five years after the events of *Jurassic World Dominion*, the planet's ecology has proven largely inhospitable to dinosaurs. Those remaining exist in isolated equatorial environments with climates resembling the one in which they once thrived. The three most colossal creatures within that tropical biosphere hold the key to a drug that will bring miraculous life-saving benefits to humankind.

With Scarlett Johansson, Mahershala Ali, Jonathan Bailey. Director: Gareth Edwards. Tickets: 11.95 Adult, 7.95 Youth under 18.

Emergency Kit Supply List

The following is an easily adaptable list of items to get you through an emergency. Add or take away as appropriate. A prepared emergency kit relieves some of the stress we often face these days. Put supplies in one or 2 containers, such as plastic bins or duffel bags. Store them in an area of your home that's easy to get to, such as a hall closet, spare room or garage.

- Non-perishable food: minimum three-day to one-week supply, with a manual can opener
- Water: four litres per person, per day for drinking and sanitation
- Phone charger, power bank or inverter
- Battery-powered or hand-crank radio
- Battery-powered or hand-crank flashlight
- Extra batteries
- First-aid kit and medications
- Personal toiletries and items, such as an extra pair of glasses or contact lenses
- Copies of important documents, such as insurance papers and identification
- Cash in small bills
- Garbage bags and moist towelettes for personal sanitation
- Seasonal clothing, sturdy footwear and emergency blanket
- Dust masks
- Whistle
- Help/OK Sign: Display the appropriate side outward in your window during a disaster.

Make a grab-and-go bag

A grab-and-go bag is a small emergency kit that's easy to take with you, in case you need to leave right away. It's a good idea to make grab-and-go bags for your home, workplace and vehicle. Include:

- Food (ready to eat) and water
- Phone charger and battery bank
- Small battery-powered or hand-crank radio
- Battery-powered or hand-crank flashlight
- Extra batteries
- Small first-aid kit and personal medications
- Personal toiletries and items, such as an extra pair of glasses or contact lenses
- Copy of your emergency plan
- Copies of important documents, such as insurance papers and identification
- Cash in small bills
- Local map with your family meeting place identified
- Seasonal clothing and an emergency blanket
- Pen and notepad
- Whistle

The above lists were prepared using information from the Province of BC emergency preparedness site.

I like to imagine that the world is one big machine. You know, machines never have any extra parts. They have the exact number and type of parts they need. So I figure if the entire world is a big machine, I have to be here for some reason. And that means you have to be here for some reason, too.

— Brian Selznick, The Invention of Hugo Cabret

Understanding Trauma

Please join us on October 16th from 6:00 P.M. to 7:30 P.M. for an opportunity to learn about psychological trauma. It is estimated that at least one in four Canadians will experience a traumatic event in their lives, an unexpected frightening event that a person was helpless to stop. The effects of these events can be mild and short-lived to profound and long-lasting, effecting the body, mind and spirit. Every day as we go about our business, we will encounter the effects of trauma on people without every realizing it, even when it's staring us right in the face. This can lead to misunderstandings, judgement and have negative effects on our interactions and interpersonal relationships. This workshop will explore; what trauma is, how it effects our body, mind, emotions, spirit, and relationships, our recognizing the signs and symptoms of trauma, healing and how to support those effected by trauma. This workshop hopes to broaden not only our understanding but our capacity to be compassionate with ourselves and with others.

About Tim Wall. Our presenter has thirty-five years' experience in the field of Post Traumatic Stress as a therapist, educator and in developing resource material on this subject. He was the founder of Canada's first Trauma Informed Resource Center, Director of Counselling Services at Klinik Community Health Centre in Winnipeg and past Executive Director of the Canadian Association for Suicide Prevention.

Mindfulness

Please join us on October 27th from 6:00 P.M. to 7:30 P.M. for an opportunity to learn about and practice mindfulness skills with Licensed Mental Health Counselor and Mindfulness-Based Stress Reduction Instructor Claire Mauer.

There are many different forms of meditation, from ancient religious traditions to secular practices; even some wonderful apps you can use on your phone! Our focus for the evening will be on simple secular practices for cultivating mindfulness, which is a state of intentional awareness that allows us to be more fully present in the moment without judgement and with kindness.

Mindfulness practice can "rewire" our automatic reactions -- empowering us to respond in a healthier way to challenging situations, thoughts, emotions, and physical sensations. It also allows us to notice and appreciate what is good in ourselves, others, and life itself. These skills can help us build resiliency, self-compassion and better manage our responses to stressful situations and even chronic conditions.

During this 90-minute workshop we'll begin with an overview of Mindfulness Based Stress Reduction and then explore a few experiential practices that invite you to bring friendly awareness and kindness to your mind and body.

Visit our website to register, seating is limited.

About Claire Mauer, MA, LMHC, NCC

Claire is a Licensed Mental Health Counselor who specializes in trauma therapy. She was first introduced to Mindfulness Based Stress Reduction (MBSR) more than 20 years ago and in 2021 became credentialed through Brown University to offer MBSR instruction.

In Claire's words: "The practice of mindfulness has changed the way I live, the way I feel, and the way am present with people. It has helped me deepen my connection to myself and those I care about, to pause more and react a bit less, and to turn down the volume on the critical voice in my head. I'm still a work in progress, but I am generally able move through my days with a little more patience and kindness than before. Most importantly, these simple practices help me wake back up to the beauty of the world when I start to feel overwhelmed by the suffering around me."
